OR2015-08516

Dear Ms. Schultz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 561960.

The Hays Consolidated Independent School District (the "district"), which you represent, received a request for the district's responses to specified questions by a school board member. The district states it has released some of the submitted information. The district claims portions of the remaining submitted information are excepted from disclosure under sections 552.101 and 552.116 of the Government Code. We have considered the exceptions the district claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses chapter 411 of the Government Code, which pertains to criminal history record information ("CHRI"). Chapter 411 authorizes the Texas Department of Public Safety (the "DPS") to compile and maintain CHRI from law enforcement agencies throughout the state and to provide access to authorized persons to federal criminal history records. *See id.* §§ 411.042, .087. In 2007, the Legislature enacted section 411.0845 of the Government Code, which provides in relevant part:

- (a) The [DPS] shall establish an electronic clearinghouse and subscription service to provide [CHRI] to a particular person entitled to receive [CHRI] and updates to a particular record to which the person has subscribed under this subchapter.

(b) On receiving a request for [CHRI] from a person entitled to such information under this subchapter, the [DPS] shall provide through the electronic clearinghouse:

(1) the [CHRI] reported to the [DPS] or the Federal Bureau of Investigation relating to the individual who is the subject of the request; or

(2) a statement that the individual who is the subject of the request does not have any [CHRI] reported to the [DPS] or the Federal Bureau of Investigation.

...

(d) The [DPS] shall ensure that the information described by Subsection (b) is provided only to a person otherwise entitled to obtain [CHRI] under this subchapter. Information collected under this section is confidential and is not subject to disclosure under [the Act].

*Id.* § 411.0845(a)-(b), (d). Section 411.097(b) of the Government Code provides in part that “[a] school district . . . is entitled to obtain from the [DPS CHRI] maintained by the [DPS] that the district . . . is required or authorized to obtain under Subchapter C, Chapter 22, Education Code, that relates to a[n] . . . employee of the district[.]” *Id.* § 411.097(b). Pursuant to section 22.083(a-1) of the Education Code, a school district is authorized to obtain CHRI from the DPS’s electronic clearinghouse. *See* Educ. Code § 22.083(a-1)(1). Section 22.08391(d) of the Education Code states that any CHRI received by a school district is subject to section 411.097(d) of the Government Code. *Id.* § 22.08391(d). Section 411.097(d) provides in relevant part:

(d) [CHRI] obtained by a school district, charter school, private school, service center, commercial transportation company, or shared services arrangement in the original form or any subsequent form:

(1) may not be released to any person except:

(A) the individual who is the subject of the information;

(B) the Texas Education Agency;

(C) the State Board for Educator Certification;

(D) the chief personnel officer of the transportation company, if the information is obtained under Subsection (a)(2); or

(E) by court order[.]

Gov't Code § 411.097(d)(1). The district states the information it marked is derived from information obtained from the DPS electronic clearinghouse and local law enforcement. Upon review, we find the information at issue does not constitute confidential CHRI; thus, the district may not withhold any portion of the submitted information under section 552.101 of the Government Code in conjunction with chapter 411 of the Government Code or federal law.

Section 552.101 also encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. A compilation of an individual's criminal history is highly embarrassing information, the publication of which would be highly objectionable to a reasonable person. *Cf. U.S. Dep't of Justice v. Reporters Comm. for Freedom of the Press*, 489 U.S. 749, 764 (1989) (finding significant privacy interest in compilation of individual's criminal history by recognizing distinction between public records found in courthouse files and local police stations and compiled summary of criminal history information). Furthermore, we find a compilation of a private citizen's criminal history is generally not of legitimate concern to the public. Upon review, we find the district has failed to demonstrate how the information at issue is highly intimate or embarrassing and not of legitimate public interest. Accordingly, the district may not withhold any of the submitted information under section 552.101 in conjunction with common-law privacy.

Section 552.116 provides the following:

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from the requirements of Section 552.021. If information in an audit working paper is also maintained in another record, that other record is not excepted from the requirements of Section 552.021 by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a

municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. Upon review, we find the district has failed to demonstrate the information at issue consists of audit working papers excepted from disclosure under section 552.116. *See id.* Thus, the district may not withhold any of the submitted information under section 552.116 of the Government Code. As no further exceptions to disclosure have been raised, the district must release the submitted information.
