

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

May 4, 2015

Ms. Amanda Speer  
Assistant District Attorney  
52nd Judicial District  
County of Coryell  
P.O. Box 919  
Gatesville, Texas 76528

OR2015-08579

Dear Ms. Speer:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 567795.

The Dallas County Medical Examiner's Office (the "medical examiner's office"), also known as the Southwestern Institute for Forensic Sciences, which you represent, received a request for two specified autopsy reports. You claim the requested information is excepted from disclosure under sections 552.08 and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we must address the medical examiner's office's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See id.* § 552.301(b).

In this instance, you state the medical examiner's office received the request for information on March 26, 2015. You do not inform us the medical examiner's office was closed for any business days between March 26, 2015, and April 9, 2015. Accordingly, the ten-business-day deadline was April 9, 2015. However, the envelope containing the medical

examiner's office's request for a ruling bears a meter-mark of April 10, 2015. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Accordingly, we conclude the medical examiner's office failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the requirements of section 552.301 results in the legal presumption the information is public and must be released. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). Normally, a compelling reason to withhold information exists where some other source of law makes the information confidential or where third-party interests are at stake. *See* Open Records Decision No. 150 at 2 (1977).

Although you seek to withhold the requested information under sections 552.108 and 552.111 of the Government Code, these sections are discretionary exceptions to disclosure that protect a governmental body's interest and may be waived. *See Simmons*, 166 S.W.3d at 350 (section 552.108 is not compelling reason to withhold information under section 552.302); Open Records Decision No. 177 (1977) (statutory predecessor to section 552.108 subject to waiver); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (untimely request for decision resulted in waiver of discretionary exceptions). Thus, in failing to comply with section 552.301, the medical examiner's office has waived its claims under sections 552.108 and 552.111, and may not withhold any information on these bases. However, the need of a governmental body, other than the one that is seeking an open records decision, to withhold information under section 552.108 of the Government Code can provide a compelling reason to withhold information from disclosure. Open Records Decision No. 586 at 2-3 (1991). In this instance, the 52nd Judicial District Attorney's Office, County of Coryell, (the "district attorney's office") objects to the release of the requested information. Thus, we will address whether the medical examiner's office may withhold the information at issue on behalf of the district attorney's office under section 552.108 of the Government Code.

Section 552.108(a) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

The district attorney's office states the requested information relates to a pending criminal investigation and objects to the release of the information at issue. Based on these representations, we find release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, the medical examiner's office may withhold the information at issue under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
