ATTORNEY GENERAL OF TEXAS

May 5, 2015

Mr. Gary Grief
Executive Director
Texas Lottery Commission
P.O. Box 16630
Austin, Texas 78761-6630

OR2015-08693

Dear Mr. Grief

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 562322 (TLC File # L-19618).

The Texas Lottery Commission (the "commission") received a request for all information pertaining to the investigation of a named individual. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). This office has determined that the commission is a law enforcement agency. *See* Gov't Code §§ 466.019 (commission is authorized to enforce violations of lottery laws), .020 (commission is authorized to maintain department of security staffed by commissioned peace officers or investigators). You state case numbers L20140677.1 and L20140146.1 pertain to a pending prosecution of the named individual by the Nueces County District Attorney's Office (the "district attorney's office"). You further state some of the individuals named in case number L20140146.1 either were not charged, or charges were dismissed. However, you state the information in case number L20140146.1 refers to the same information being used by the district attorney's office in its prosecution of the named individual. Thus, we

understand the information in case number L20140146.1 is too intertwined with the pending prosecution of the named individual to separate the records. Based on your representation and our review, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information.

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of basic information, the commission may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
