Ms. Robin Whitney
Assistant General Counsel
Office of the General Counsel
Texas Department of Criminal Justice
P.O. Box 4004
Huntsville, Texas 77342-4004

OR2015-08926

Dear Ms. Whitney:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 562838.

The Texas Department of Criminal Justice (the "department") received a request for evidence pertaining to a specified incident involving a specified inmate and information pertaining to the amount of time the department allows "gas" to be left on an inmate. You claim the submitted information is excepted from disclosure under section 552.134 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have only submitted information related to the specified incident. We assume, to the extent any information responsive to the remainder of the request existed on the date the department received the request, the department has released it. If the department has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.006, .301, .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.134 of the Government Code relates to information about inmates of the department. This exception provides, in relevant part:

(a) Except as provided by Subsection (b) or by Section 552.029 [of the Government Code], information obtained or maintained by the Texas Department of Criminal Justice is excepted from [required public disclosure] if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

Gov't Code § 552.134(a). Section 552.029 of the Government Code provides, in part:

Notwithstanding Section . . . 552.134, the following information about an inmate who is confined in a facility operated by or under a contract with the [department] is subject to required disclosure under Section 552.021:

. . .

(8) basic information regarding the death of an inmate in custody, an incident involving the use of force, or an alleged crime involving the inmate.

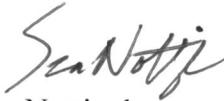

Id. § 552.029(8). Thus, section 552.134 is explicitly made subject to section 552.029. You state the submitted information pertains to an inmate confined in a facility operated by the department. Upon review, we agree the submitted information is subject to section 552.134 of the Government Code. However, although you assert section 552.029 of the Government Code does not apply to the submitted information, we find the submitted information relates to a crime involving the specified inmate. Thus, the department must release basic information about the crime involving the specified inmate pursuant to section 552.029. The basic information that must be released includes the time and place of the incident, the names of inmates and of department employees who were involved, a brief narrative of the incident, a brief description of any injuries sustained by anyone involved, and information regarding any criminal charges or disciplinary actions that were filed as a result of the incident. Accordingly, except for basic information under section 552.029(8) of the Government Code, which must be released, the department must withhold the submitted information under section 552.134 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>
