Assistant City Attorney

Office of the City Attorney

Dear Mr. Branham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 568474.

The San Angelo Police Department (the "department") received a request for a specified incident report. You state the department has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

We must address the department's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See* Gov't Code § 552.301(b). The department received the request for information on March 30, 2015. You do not inform us the department was closed for any business days between March 30, 2015, and April 13, 2015. Accordingly, you were required to provide the information required by section 552.301(b) by April 13, 2015. However, the envelope in which the department provided the information required by section 552.301(b) was postmarked April 17, 2015. *See id.* § 552.308(a)(1) (describing rules for calculating

¹Although you also raise section 552.101 of the Government Code in conjunction with section 552.108 of the Government Code, this office has concluded section 552.101 does not encompass other exceptions found in the Act. *See* Open Records Decision Nos. 676 at 1-2 (2002), 575 at 2 (1990). Accordingly, we do not address your argument under section 552.101.

submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Accordingly, we conclude the department failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). Generally, a governmental body may demonstrate a compelling reason to withhold information by showing that the information is made confidential by another source of law or affects third party interests. *See* ORD 630. The department claims section 552.108 of the Government Code for the submitted information. However, this exception is discretionary in nature. It serves to protect a governmental body's interests and may be waived; as such, it does not constitute a compelling reason to withhold information. *See* Open Records Decision No. 177 (1977) (governmental body may waive statutory predecessor to section 552.108); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Accordingly, no portion of the submitted information may be withheld under section 552.108 of the Government Code. As you raise no further exceptions to disclosure, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
