

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 11, 2015

Mr. Caleb Thornton
Assistant County Attorney
Montgomery County
501 North Thompson, Suite 300
Conroe, Texas 77301

OR2015-09104

Dear Mr. Thornton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 568656 (ORR File No. 15PIA224).

The Montgomery County Sheriff's Office (the "sheriff's office") received a request for a specified offense report. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

You inform us the submitted information pertains to a pending criminal prosecution. We note, however, the information at issue includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The sheriff's office provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See Gov't Code* § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108. However, based on your representation, we conclude the sheriff's office has demonstrated release of the remaining information would interfere with the

detection, investigation, and prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Accordingly, with the exception of the DIC-24 and DIC-25 forms, and basic information, the sheriff’s office may withhold the submitted information under section 552.108(a)(1) of the Government Code. The sheriff’s office must release the DIC-24 and DIC-25 forms and basic information.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Cindy Nettles
Assistant Attorney General

¹We note the requestor has a right of access beyond that of the general public to some of the information being released. *See* Gov’t Code § 552.023(a) (person or person’s authorized representative has special right of access to information held by governmental body that relates to person and that is protected from public disclosure by laws intended to protect person’s privacy interests); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning herself). Accordingly, if the sheriff’s office receives another request for this information from an individual other than this requestor, the sheriff’s office must again seek a ruling from this office.
