Dear Ms. Nicholson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 563461.

The City of Austin (the "city") received a request for all information pertaining to an audit of the city's police department. You indicate some information was released to the requestor. You claim the requested information is excepted from disclosure under section 552.116 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.116 of the Government Code provides the following:

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You state the submitted information consists of audit working papers created or utilized by the city auditor during an audit of a city department. You also state the audit was conducted under the authority granted by section 2-3-5 of the Austin City Code. Based on your representations and our review, we find you have demonstrated the submitted information was prepared or maintained by the city auditor in conducting an audit authorized or required by a city ordinance. *See id.* § 552.116(a), (b)(1), (b)(2). Accordingly, the city may withhold the submitted information under section 552.116 of the Government Code.
