

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 15, 2015

Mr. Harry F. Wright, Jr.
School Attorney
Bryan Independent School District
101 North Texas Avenue
Bryan, Texas 77803

OR2015-09495

Dear Mr. Wright:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 568707.

The Bryan Independent School District (the "district") received a request for specified communications regarding the resignation of a named person, his termination letter, severance paperwork, and evaluations.¹ You claim that the submitted information is excepted from disclosure pursuant to section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have only submitted the requested evaluations for our review. To the extent any additional responsive information existed when the present request was received, we assume it has been released. If such information has not been released, then it must be released at this time. *See* Gov't Code §§ 552.006, .301, .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't

¹You state the district sought and received clarification of the request for information. *See* Gov't Code § 552.222(b) (stating that if information requested is unclear to governmental body or if a large amount of information has been requested, governmental body may ask requestor to clarify or narrow request, but may not inquire into purpose for which information will be used).

Code § 552.101. This section encompasses information protected by other statutes, such as section 21.355 of the Education Code. Section 21.355 provides that “[a] document evaluating the performance of a teacher or administrator is confidential.” Educ. Code § 21.355(a). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or an administrator. *See* Open Records Decision No. 643 (1996). Additionally, a court has concluded that a written reprimand constitutes an evaluation for purposes of section 21.355, as it “reflects the principal’s judgment regarding [a teacher’s] actions, gives corrective direction, and provides for further review.” *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.). In Open Records Decision No. 643, we determined an “administrator” for purposes of section 21.355 means a person who is required to, and does in fact, hold an administrator’s certificate under subchapter B of chapter 21 of the Education Code, and is performing the functions as an administrator, as that term is commonly defined, at the time of the evaluation. *See* ORD 643.

You contend the submitted information consists of confidential evaluations of a district administrator. You inform us, and have submitted documentation reflecting, the administrator at issue held the appropriate certification at the time of the evaluations. Based on your representations and our review, we find the district must withhold the submitted information in Exhibit C under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Debbie K. Lee
