Dear Ms. Pell:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 569734.

The Baytown Police Department (the "department") received a request for a specified police report. You claim some of the submitted information is excepted from disclosure under sections 552.130, 552.136, and 552.152 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. Gov't Code § 552.130(a). Upon review, we find the department must withhold the motor vehicle record information you have marked under section 552.130 of the Government Code.

Section 552.136(b) of the Government Code provides, "[notwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." Gov't Code § 552.136(b); *see id.* § 552.136(a) (defining "access device"). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. Accordingly, the department must withhold the information you have marked under section 552.136 of the Government Code.

Section 552.152 of the Government Code provides:

Information in the custody of a governmental body that relates to an employee or officer of the governmental body is excepted from the requirements of Section 552.021 if, under the specific circumstances pertaining to the employee or officer, disclosure of the information would subject the employee or officer to a substantial threat of physical harm.

Id. § 552.152. You inform us the information you have marked relates to undercover police officers. You state release of this information would subject these officers to a substantial threat of physical harm. Based on your representations and our review, we find you have demonstrated the release of the information at issue would subject the officers at issue to a substantial threat of harm. Thus, the department must withhold the marked information under section 552.152 of the Government Code.

In summary, the department must withhold (1) the motor vehicle record information you have marked under section 552.130 of the Government Code, (2) the information you have marked under section 552.136 of the Government Code, and (3) the information you have marked under section 552.152 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
