ATTORNEY GENERAL OF TEXAS

May 20, 2015

Ms. Susan Fillion  
Assistant County Attorney  
County of Harris  
1200 Baker Street, 2<sup>nd</sup> Floor  
Houston, Texas 77002

OR2015-09795

Dear Ms. Fillion:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 564325 (HCSO File No. #14SO500269).

The Harris County Sheriff's Office (the "sheriff's office") received a request for the personnel files pertaining to two named deputies. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information contains peace officers' Texas Commission on Law Enforcement ("TCOLE") identification numbers. In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand an officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in the commissioner's electronic database, and may be used as an access device number on the TCOLE website. Accordingly, we find the officers' TCOLE identification numbers in the submitted information do not constitute public information under section 552.002 of the Government Code. Therefore,

the TCOLE identification numbers are not subject to the Act and need not be released to the requestor.<sup>1</sup>

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to pending criminal investigations or prosecutions. Furthermore, the submitted information reflects the personnel files at issue relate to the arresting officer and a witness in the matters giving rise to the pending criminal cases. Based on your representations and our review, we conclude release of the submitted information would interfere with the detection, investigation, or prosecution of a crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court describes law enforcement interests that are present in active cases), *writ ref’d per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, the sheriff’s office may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Kenny Moreland  
Assistant Attorney General  
Open Records Division
