May 20, 2015

Mr. Herb Hancock
County Attorney
County of Karnes
Karnes County Sheriff's Office
210 West Calvert Avenue, Suite 110
Karnes City, Texas 78118

OR2015-09838

Dear Mr. Hancock:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 564369.

The Karnes County Sheriff's Office (the "sheriff's office") received a request for information pertaining to the Karnes County Residential Center.¹ You claim the requested information is excepted from disclosure under sections 552.101, 552.102, 552.108, 552.1085, 552.117, 552.1175, 552.130, 552.132, 552.1325, 552.147, and 552.152 of the Government Code. We have considered the exceptions you claim.

We must address the obligations of the sheriff's office under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure.

¹As you have not submitted a copy of the request for information, we take our description from your brief.

Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e). You state the sheriff's office received the request for information on March 4, 2015. As of the date of this letter, you have not submitted to this office written comments stating why the stated exceptions apply, a copy of the written request for information, or a copy or representative sample of the information requested. Accordingly, we conclude the sheriff's office failed to comply with the requirements of section 552.301.

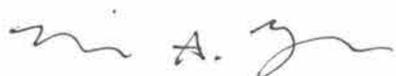

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). Generally, a governmental body may demonstrate a compelling reason to withhold information by showing that the information is made confidential by another source of law or affects third party interests. *See* ORD 630. Because the sheriff's office has failed to comply with the procedural requirements of the Act, the sheriff's office has waived all of its discretionary exceptions to disclosure. *See* Open Records Decision No. 663 at 5 (1999) (untimely request for decision resulted in waiver of discretionary exceptions). Although you also raise mandatory exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure or confidential by law. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information is confidential and may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
