Mr. Chad J. Lersch
Assistant General Counsel
Texas Department of Information Resources
P.O. Box 13564

OR2015-09941

Dear Mr. Lersch:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 564623.

The Texas Department of Information Resources (the "department") received a request for the proposal submitted by Trademark Media in regards to contract number DIR-TSO-2593. You state the department released some of the requested information. Although the department takes no position with respect to the remaining requested information, you assert its release may implicate the interests of Trademark Media. Accordingly, the department notified the third party of the request for information and of its right to submit arguments stating why the information should not be released. *See* Gov't Code § 552.305 (permitting interested third party to submit to attorney general reasons why requested information should not be released); Open Records Decision No. 542 (1990) (determining statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) of the Government Code to submit its reasons, if any, as to why requested information relating to it should be withheld from disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, this office has not received comments from Trademark Media explaining why its information should not be released to the requestor. Thus, we have no basis to conclude that the release of any portion of the submitted information would implicate the interest of a third

party. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, we conclude the department may not withhold any of the submitted information on the basis of any interest Trademark Media may have in the information. As you raise no exception to disclosure, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Paige Lay
