Dear Ms. Anderson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 565800 (District Request Nos. HFT30615B and HFT032615).

The Houston Independent School District (the "district") received two requests from the same requestor for the video recording and transcript of a specified hearing. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 551.104 of the Open Meetings Act, chapter 551 of the Government Code. Section 551.104 provides, in part, that "[t]he certified agenda or tape of a closed meeting is available for public inspection and copying only under a court order issued under Subsection (b)(3)." *Id.* § 551.104(c). We note the district is not required to submit a certified agenda or tape recording of a closed meeting to this office for review. *See* Open Records Decision No. 495 at 4 (1988) (attorney general lacks authority to review

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore, does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

certified agendas or tapes of executive sessions to determine whether a governmental body may withhold such information from disclosure under statutory predecessor to section 552.101). Such information cannot be released to a member of the public in response to an open records request. *See* Attorney General Opinion JM-995 at 5-6 (1988) (public disclosure of certified agenda of closed meeting may be accomplished only under procedures provided in Open Meetings Act). Section 551.146 of the Open Meetings Act makes it a criminal offense to disclose a certified agenda or tape recording of a lawfully closed meeting to a member of the public. *See* Gov't Code § 551.146(a)-(b); *see also* ORD 495 at 4. You state the requestor seeks access to a video recording and a transcript of a closed meeting in which the district's board of trustees conducted a grievance hearing. Based on your representation, we conclude the district must withhold the information at issue under section 552.101 of the Government Code in conjunction with section 551.104(c) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
