Ms. Kim Hollar
Administrative Assistant
City of Corinth Police Department
2003 South Corinth Street
Corinth, Texas 76210

OR2015-10425

Dear Ms. Hollar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 565046 (Ref. No. 2015-002).

The Corinth Police Department (the "department") received a request for video and audio recordings of a specified incident and specified radar calibration records. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the department's obligations under the Act. Section 552.301 of the Government Code describes the procedural obligations placed on a governmental body that receives a written request for information it wishes to withhold. Pursuant to section 552.301(e), a governmental body receiving an open records request for information that it wishes to withhold pursuant to one of the exceptions to public disclosure is required to submit to this office within fifteen business days of receiving the request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See Gov't Code* § 552.301(e). You state the department received the request for information on

March 3, 2015. Accordingly, the department's fifteen-business-day deadline under section 552.301(e) was March 24, 2015. However, the envelope containing a copy of the request for information was meter-marked April 6, 2015. *See id.* § 552.308(a) (deadline under the Act is met if document is sent by first class United States mail with postage prepaid and bears post office mark indicating time within the deadline period). Accordingly, we find the department failed to comply with section 552.301 of the Government Code in regards to the instant request.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the information is public and must be released unless the governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *Id.* § 552.302; *see also Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). This statutory presumption can generally be overcome when information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3 (1994), 325 at 2 (1982). Although you raise section 552.108 of the Government Code, this section is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. *See* Gov't Code § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions in general), 663 at 5 (1999) (untimely request for decision resulted in waiver of discretionary exceptions), 177 at 3 (1997) (statutory predecessor to section 552.108 subject to waiver). Thus, in failing to comply with section 552.301, the department has waived its argument under section 552.108, and may not withhold any of the information on this basis. As you raise no other exceptions against disclosure, the department must release the submitted information.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ¹Pursuant to section 552.023 of the Government Code, the requestor has a special right of access to the motor vehicle record information being released. *See* Gov't Code § 552.023. If the department receives a request for this information from a different requestor, the department is authorized to redact this information under section 552.130(c) without the necessity of seeking a decision from the attorney general. *See id.* § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e).
