Dear Ms. Sopher:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 566109 (PIR #1240).

The Leander Independent School District (the "district") received a request for a specified executive summary of a specified assessment. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes, such as section 37.108 of the Education Code, which provides, in part:

(b) At least once every three years, each school district or public junior college district shall conduct a safety and security audit of the district's facilities. To the extent possible, a district shall follow safety and security audit procedures developed by the Texas School Safety Center or a comparable public or private entity.

...

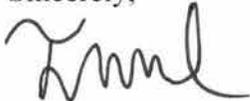

(c-1) Except as provided by Subsection (c-2), any document or information collected, developed, or produced during a safety and security audit conducted under Subsection (b) is not subject to disclosure under [the Act].

Educ. Code § 37.108(b), (c-1). You state the submitted information was developed, collected, or produced during a safety and security audit conducted under section 37.108(b). *See id.* § 37.108(b). We understand none of the exceptions in subsection (c-2) are applicable to the information at issue. *See id.* § 37.108(c-2) (listing types of documents relating to district's multihazard emergency operations plan that are subject to disclosure). Thus, we find the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 37.108(c-1) of the Education Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
