

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 1, 2015

Ms. Natasha Brooks
Assistant City Attorney
City of Midland
P.O. Box 1152
Midland, Texas 79701

OR2015-10706A

Dear Ms. Brooks:

This office issued Open Records Letter No. 2015-10706 (2015) on June 1, 2015. Since that date, we have received new information that affects the facts on which this ruling was based. Consequently, this decision serves as the corrected ruling and is a substitute for the decision issued on June 1, 2015. *See generally* Gov't Code § 552.011 (providing that Office of Attorney General may issue decision to maintain uniformity in application, operation, and interpretation of Public Information Act ("Act")). This ruling was assigned ID # 576799 (City ID# 16625).

The City of Midland (the "city") received a request for a specified police report and call sheet. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the common-law informer's privilege, which Texas courts have long recognized. *See Aguilar v. State*, 444 S.W.2d 935 (Tex. Crim. App. 1969). The informer's privilege protects from disclosure the identity of a person who has reported activities over which the governmental body has criminal or quasi-criminal law-enforcement authority, provided the subject of the information does not already know the informer's identity. *See Open Records Decision No. 208 at 1-2 (1978)*. The informer's privilege protects the identity of an individual who has reported violations of statutes to the police or similar law-enforcement agencies, as well as an individual who has reported

violations of statutes with civil or criminal penalties to “administrative officials having a duty of inspection or of law enforcement within their particular spheres.” Open Records Decision No. 279 at 1-2 (1981) (citing 8 John H. Wigmore, *Evidence in Trials at Common Law*, § 2374, at 767 (J. McNaughton Rev. Ed. 1961)). The report must be of a violation of a criminal or civil statute. See Open Records Decision Nos. 582 at 2 (1990), 515 at 4 (1988).

You state portions of the submitted information reveal the identity of an individual who reported a violation of law to the city’s police department. You state “there is no substantiation that [the subject of the complaint] knows the identity of the individual who made the complaint.” Based on these representations and our review, we conclude the city has demonstrated the applicability of the common-law informer’s privilege to the information at issue, which you have marked. Therefore, the city may withhold the information you marked under section 552.101 of the Government Code in conjunction with the common-law informer’s privilege. As you raise no other exceptions to disclosure, the city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Kristi L. Godden
