

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

June 3, 2015

Mr. John A. Haislet  
Assistant City Attorney  
City of College Station  
P.O. Box 9960  
College Station, Texas 77842

OR2015-10875

Dear Mr. Haislet:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 565742.

The City of College Station (the "city") received a request for information pertaining to the death of a named individual.<sup>1</sup> You claim the submitted information is excepted from disclosure under sections 552.101 and 552.103 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides, in relevant part, as follows:

- (a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or

<sup>1</sup>You state the city sought and received clarification of the request for information. See Gov't Code § 552.222(b) (stating if information requested is unclear to governmental body or if large amount of information has been requested, governmental body may ask requestor to clarify or narrow request, but may not inquire into purpose for which information will be used); *City of Dallas v. Abbott*, 304 S.W.3d 380 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show section 552.103(a) is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a). *See* ORD 551.

To establish litigation is reasonably anticipated, a governmental body must provide this office "concrete evidence showing the claim that litigation may ensue is more than mere conjecture." *See* Open Records Decision No. 452 at 4 (1986). Whether litigation is reasonably anticipated must be determined on a case-by-case basis. *Id.* In Open Records Decision No. 638 (1996), this office stated a governmental body has met its burden of showing litigation is reasonably anticipated when it received a notice of claim letter, and the governmental body represents the notice of claim letter is in compliance with the requirements of the Texas Tort Claims Act ("TTCA"), Civ. Prac. & Rem. Code, ch. 101, or an applicable municipal ordinance.

You state, and submit documentation showing, simultaneously with the city's receipt of the instant request, the city received a notice of claim letter from the requestor on behalf of his clients. You inform us the claim letter complies with the TTCA. Based on your representations, we find the city reasonably anticipated litigation on the date it received the request for information. You further state, and we agree, the submitted information is directly related to the anticipated litigation. Therefore, the city may withhold the submitted information under section 552.103 of the Government Code.<sup>2</sup>

---

<sup>2</sup>As our ruling is dispositive, we need not address your remaining argument against disclosure of this information.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. *See* Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to all parties to the anticipated litigation is not excepted from disclosure under section 552.103(a) and must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded or is no longer anticipated. *See* Attorney General Opinion MW-575 (1982); *see also* Open Records Decision No. 350 (1982).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
