Mr. Joseph J. Gorfida Jr.
Assistant City Attorney
City of Richardson
P.O. Box 831078
Richardson, Texas 75083-1078

OR2015-10941

Dear Mr. Gorfida:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 572288 (PIR No. 15-372).

The Richardson Police Department (the "department") received a request for a specified report. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information involves an alleged violation of section 32.51 of the Penal Code, which provides that "[a] person commits an offense if the person, with the intent to harm or defraud another, obtains, possesses, transfers, or uses an item of . . . identifying information of another person without the other person's consent[.]" Penal Code § 32.51(b)(1). For purposes of section 32.51, "identifying information" includes an individual's name and financial institution account number. *Id.* § 32.51(a)(1)(A), (C). Article 2.29 of the Code of Criminal Procedure pertains to alleged violations of section 32.51 that occurred on or after September 1, 2005 and provides:

- (a) A peace officer to whom an alleged violation of Section 32.51, Penal Code, is reported shall make a written report to the law enforcement agency that employs the peace officer that includes the following information:

- (1) the name of the victim;
- (2) the name of the suspect, if known;
- (3) the type of identifying information obtained, possessed, transferred, or used in violation of Section 32.51, Penal Code; and
- (4) the results of any investigation.

(b) On the victim's request, the law enforcement agency shall provide the report created under Subsection (a) to the victim. In providing the report, the law enforcement agency shall redact any otherwise confidential information that is included in the report, other than the information described by Subsection (a).

Crim. Proc. Code art. 2.29. For purposes of article 2.29, an offense is committed on or after September 1, 2005 if no "element of the offense occurs before that date." Act of Jun. 17, 2005, 79th Leg., R.S., ch. 294, § 1(b), 2005 Tex. Gen. Laws 885.

In this instance, the submitted information pertains to a report of fraudulent use of identifying information, which constitutes an alleged violation of section 32.51. We note the requestor is the victim of the alleged identity theft listed in the report, and the alleged offense occurred after September 1, 2005. Therefore, the submitted information is subject to article 2.29 of the Code of Criminal Procedure and must be released to the requestor, except to the extent that it contains confidential information. *See* Crim. Proc. Code art. 2.29. Although you claim the submitted information is excepted from disclosure under section 552.108 of the Government Code, section 552.108 is a discretionary exception that does not make information confidential under the Act. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 586 (1991) (governmental body may waive section 552.108). Therefore, the submitted information may not be withheld under section 552.108 of the Government Code. However, because section 552.130 of the Government Code contains a confidentiality provision, we will address the applicability of this exception to the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or a personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130. Upon review, we agree most of the information you marked consists of motor vehicle record information. However, we note section 552.130 protects personal privacy. Accordingly, the requestor has a right of access to her own motor vehicle record information under section 552.023 of the Government Code and it may not be withheld from her under section 552.130. *See id.* § 552.023(a) (governmental body may not deny access to person to whom information relates or person's

agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Accordingly, except for the information we marked for release, the department must withhold the motor vehicle record information it marked under section 552.130 of the Government Code.

In summary, except for the information we marked for release, the department must withhold the motor vehicle record information you marked under section 552.130 of the Government Code. The department must release the remaining information to this requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
