

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 8, 2015

Mr. Matthew L. Grove
Assistant County Attorney
Fort Bend County
401 Jackson Street, Third Floor
Richmond, Texas 77469

OR2015-11234

Dear Mr. Grove:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 566370.

The Fort Bend Sheriff's Office (the "sheriff's office") received a request for a specific report and call slip. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."² Gov't Code § 552.101. This section encompasses section 261.201 of the Family Code, which provides:

(a) [T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

(1) a report of alleged or suspected abuse or neglect made under [chapter 261 of the Family Code] and the identity of the person making the report; and

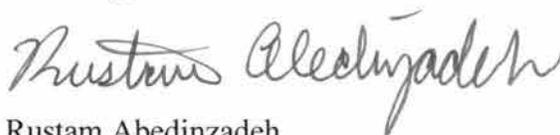

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under [chapter 261 of the Family Code] or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the submitted information was used or developed in an investigation of alleged child abuse, and the information falls within the scope of section 261.201 of the Family Code. *See id.* §§ 101.003(a) (defining “child” for purposes of chapter 261 of the Family Code as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes), 261.001 (defining “abuse” for purposes of chapter 261). As you do not indicate the sheriff’s office has adopted a rule that governs the release of this type of information, we assume no such regulation exists. Given that assumption, we conclude the submitted information is confidential under section 261.201(a) of the Family Code and must be withheld in its entirety under section 552.101 of the Government Code.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Rustam Abedinzadeh
Assistant Attorney General

³As our ruling is dispositive, we need not address your argument against disclosure.
