Ms. Susan Fillion  
Assistant County Attorney  
County of Harris  
1200 Baker Street, 2<sup>nd</sup> Floor  
Houston, Texas 77002

OR2015-11398

Dear Ms. Fillion:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 566599 (HCSO File No. 14SO500290).

The Harris County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). Generally, only highly intimate information that implicates the privacy of an individual is withheld. However, in certain instances, where it is demonstrated the requestor knows the identity of the individual

involved, as well as the nature of certain incidents, the entire report must be withheld to protect the individual's privacy.

In this instance, although you seek to withhold the submitted information in its entirety, you have not demonstrated, nor does it otherwise appear, this is a situation in which the entirety of the information at issue must be withheld on the basis of common-law privacy. However, we find the information we marked satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the sheriff's office must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy. As you have not demonstrated the remaining information is highly intimate or embarrassing and of no legitimate public interest, the sheriff's office may not withhold any portion of the remaining information under section 552.101 of the Government Code in conjunction with common-law privacy.

We note the remaining information contains information subject to section 552.130 of the Government Code, which provides information relating to a motor vehicle operator's or driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.<sup>1</sup> Gov't Code § 552.130(a). Upon review, we find the sheriff's office must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, the sheriff's office must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy. The sheriff's office must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code. The sheriff's office must release the remaining information.<sup>2</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

<sup>1</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision No. 481 (1987), 480 (1987), 470 (1987).

<sup>2</sup>Pursuant to section 552.023 of the Government Code, the requestor has a special right of access to his client's motor vehicle record information being released. See Gov't Code § 552.023(a) ("person or a person's authorized representative has a special right of access, beyond the right of the general public, to information held by a governmental body that relates to the person and that is protected from public disclosure by laws intended to protect that person's privacy interests"); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning himself). If the sheriff's office receives a request for this information from a different requestor, the sheriff's office is authorized to redact this information under section 552.130(c) without the necessity of seeking a decision from the attorney general. See *id.* § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). See *id.* § 552.130(d), (e).

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
