Dear Ms. Graham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 566870.

The Mesquite Police Department (the "department") received a request for the call sheets on two separate incidents. The department states it will release some information. The department claims portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as laws that make criminal history record information ("CHRI") confidential. CHRI generated by the National Crime Information Center (the "NCIC") or by the Texas Crime Information Center is confidential under federal and state law. CHRI means "information collected about a person by a criminal justice agency that consists of identifiable descriptions and notations of arrests, detentions, indictments, informations, and other formal criminal charges and their dispositions." *Id.* § 411.082(2). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI obtained from the NCIC network or other states. *See* 28 C.F.R. § 20.21. The federal regulations allow each state to follow its individual law with respect to CHRI it generates. Open Records Decision No. 565 at 7 (1990). Section 411.083 of the Government

Code deems confidential CHRI the Texas Department of Public Safety (“DPS”) maintains, except DPS may disseminate this information as provided in chapter 411, subchapter F of the Government Code. *See Gov’t Code* § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Thus, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with Government Code chapter 411, subchapter F. Upon review, we conclude the department must withhold the CHRI it marked under section 552.101 in conjunction with section 411.083 and federal law. As the department raises no other arguments against disclosure of the remaining information, it must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
