Ms. Ann-Marie Sheely
Assistant County Attorney
County of Travis
P.O. Box 1748

OR2015-11566

Dear Ms. Sheely:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 556793.

The Travis County Sheriff's Office (the "sheriff's office") received a request for five specified records involving the requestor. You state you have released some information to the requestor. You claim the remaining requested information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim.

You state the requested information at issue is subject to a court order of restricted access. The order was entered in accordance with section 58.203 of the Family Code, which states the Texas Department of Public Safety (the "DPS") shall certify that juvenile law enforcement records are subject to automatic restriction of access under certain circumstances. Fam. Code § 58.203. Section 58.204(b) of the Family Code provides in part:

(b) On certification of records in a case under Section 58.203, the [DPS] may permit access to the information in the juvenile justice information system relating to the case of an individual only:

(1) by a criminal justice agency for a criminal justice purpose, as those terms are defined by Section 411.082, Government Code;

(2) for research purposes, by the Texas Juvenile Justice Department;

(3) with the written permission of the individual, by military personnel, including a recruiter, of this state or the United States if the individual is an applicant for enlistment in the armed forces[;]

(3) by the person who is the subject of the records on an order from the juvenile court granting the petition filed by or on behalf of the person who is the subject of the records;

(4) with the permission of the juvenile court at the request of the person who is the subject of the records; or

(5) with the permission of the juvenile court, by a party to a civil suit if the person who is the subject of the records has put facts relating to the person's records at issue in the suit.

Id. § 58.204(b). Moreover, section 58.207 of the Family Code provides in part:

(a) On certification of records in a case under Section 58.203, the juvenile court shall order:

(1) that the following records relating to the case may be accessed only as provided by Section 58.204(b):

...

(E) records maintained by a law enforcement agency[.]

...

(b) Except as provided by Subsection (c), on receipt of an order under Subsection (a)(1), the agency maintaining the records:

(1) may allow access only as provided by Section 58.204(b); and

(2) shall respond to a request for information about the records by stating that the records do not exist.

Id. § 58.207(a)(1)(E), (b). In this instance, we have no indication the requestor is permitted access to the information at issue under section 58.204(b). Therefore, in accordance with the submitted order of restricted access and section 58.207(b) of the Family Code, we find the

sheriff's office must respond to the request by stating the requested information at issue does not exist.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
