Dear Ms. Graham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 567197.

The Mesquite Police Department (the "department") received a request for a specified audio and video recording relating to a specified incident.¹ You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes, including section 58.007 of the Family Code. Under section 58.007(c), juvenile law enforcement records relating to delinquent conduct or conduct indicating a need for

¹We note we asked the department to provide additional information pursuant to section 552.303 of the Government Code. *See* Gov't Code § 552.303(c)-(d) (if attorney general determines that information in addition to that required by section 552.301 is necessary to render decision, written notice of that fact shall be given to governmental body and requestor, and governmental body shall submit necessary additional information to attorney general not later than seventh calendar day after date of receipt of notice). We have received and considered the correspondence sent by the department pursuant to that request.

supervision that occurred on or after September 1, 1997, are confidential. Section 58.007 provides, in relevant part, the following:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access the electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). For purposes of section 58.007(c), “child” is defined as a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). We note the information at issue involves a juvenile cited for a traffic offense. Section 58.007 does not make information related to traffic offenses confidential. *See id.* § 51.02(16) (defining traffic offense); *see also id.* § 51.03 (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of section 58.007). Upon review, we find you have failed to demonstrate the applicability of section 58.007(c) of the Family Code to the submitted information. Accordingly, the department may not withhold the submitted information under section 552.101 of the Government Code on this basis.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s or driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov’t Code § 552.130(a). Upon review, we find the department must withhold the discernible or audible motor vehicle record information contained in the submitted recording under section 552.130 of the Government Code. As you do not raise another exception against disclosure, the department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
