

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 15, 2015

Mr. Caleb Thornton
Assistant County Attorney
County of Montgomery
501 North Thompson, Suite 300
Conroe, Texas 77301

OR2015-11810

Dear Mr. Thornton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 573445 (ORR# 15PIA303).

The Montgomery County Sheriff's Office (the "sheriff's office") received a request for information regarding a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the information at issue would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). We note the submitted information includes a DIC-24 statutory warning and a DIC-25 notice of suspension. Because the sheriff's office provided copies of these forms to the arrestee, we find their release will not interfere with the detection, investigation, or prosecution of crime. Therefore, the sheriff's office may not withhold the submitted DIC-24 statutory warning and DIC-25 notice of suspension under section 552.108(a)(1). The sheriff's office

states the remaining information relates to a pending criminal prosecution. Based on this representation, we conclude the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of the submitted DIC-24 statutory warning and DIC-25 notice of suspension forms and basic information, the sheriff's office may withhold the submitted information under section 552.108(a)(1) of the Government Code.

We note the submitted DIC-24 statutory warning and DIC-25 notice of suspension forms contain information subject to section 552.130 of the Government Code.¹ Section 552.130 provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130(a). The sheriff's office must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, with the exception of the submitted DIC-24 statutory warning and DIC-25 notice of suspension forms and basic information, which the sheriff's office must release, the sheriff's office may withhold the submitted information under section 552.108(a)(1) of the Government Code. In releasing the submitted DIC-24 statutory warning and DIC-25 notice of suspension forms, the sheriff's office must withhold the information we have marked under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
