

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

June 16, 2015

Ms. Heather Silver  
Assistant City Attorney  
Office of the City Attorney  
City of Dallas  
1500 Marilla, Room 7DN  
Dallas, Texas 75201

OR2015-11913

Dear Ms. Silver:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 567291.

The City of Dallas (the "city") received a request for information related to a specified investigation during a specified time period. You state the city will release some of the requested information. You claim the submitted information is excepted from disclosure under sections 552.107, 552.111, and 552.116 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Initially, we note some of the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

---

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code § 552.022(a)(1). The information submitted as Exhibit B relates to a completed investigation that is subject to section 552.022(a)(1). The city must release this information pursuant to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or is made confidential under the Act or other law. *See id.* You seek to withhold the information subject to section 552.022(a)(1) under sections 552.107 and 552.111 of the Government Code. However, sections 552.107 and 552.111 are discretionary in nature and do not make information confidential under the Act. *See Open Records Decision Nos. 676 at 10-11 (2002) (attorney-client privilege under Gov't Code § 552.107(1) may be waived), 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 470 at 7 (1987) (statutory predecessor to section 552.111 subject to waiver).* Therefore, the information subject to section 552.022(a)(1) of the Government Code may not be withheld under section 552.107 or section 552.111 of the Government Code. However, the Texas Supreme Court has held the Texas Rules of Evidence are "other law" within the meaning of section 552.022. *See In re City of Georgetown*, 53 S.W.3d 328, 336 (Tex. 2001). We will therefore consider your assertion of the attorney-client privilege under rule 503 of the Texas Rules of Evidence. We will also address your argument against disclosure of the information not subject to section 552.022 of the Government Code.

Texas Rule of Evidence 503(b)(1) provides as follows:

A client has a privilege to refuse to disclose and to prevent any other person from disclosing confidential communications made to facilitate the rendition of professional legal services to the client:

(A) between the client or the client's representative and the client's lawyer or the lawyer's representative;

(B) between the client's lawyer and the lawyer's representative;

(C) by the client, the client's representative, the client's lawyer, or the lawyer's representative to a lawyer representing another party in a pending action or that lawyer's representative, if the communications concern a matter of common interest in the pending action;

(D) between the client's representatives or between the client and the client's representative; or

(E) among lawyers and their representatives representing the same client.

Tex. R. Evid. 503(b)(1). A communication is "confidential" if it is not intended to be disclosed to third persons other than those to whom disclosure is made in furtherance of the rendition of professional legal services to the client or those reasonably necessary for the transmission of the communication. *Id.* 503(a)(5).

Thus, in order to withhold attorney-client privileged information from disclosure under rule 503, a governmental body must (1) show the document is a communication transmitted between privileged parties or reveals a confidential communication; (2) identify the parties involved in the communication; and (3) show the communication is confidential by explaining it was not intended to be disclosed to third persons and it was made in furtherance of the rendition of professional legal services to the client. Upon a demonstration of all three factors, the information is privileged and confidential under rule 503, provided the client has not waived the privilege or the document does not fall within the purview of the exceptions to the privilege enumerated in rule 503(d). *See Pittsburgh Corning Corp. v. Caldwell*, 861 S.W.2d 423, 427 (Tex. App.—Houston [14th Dist.] 1993, orig. proceeding).

You assert the information submitted as Exhibit B should be withheld under rule 503. You assert the information at issue consists of privileged attorney-client communications between the city's attorneys and city employees in their capacities as clients. You state the communications at issue were made for the purpose of the rendition of legal services to the city. You indicate the communications at issue have not been, and were not intended to be, disclosed to third parties. Based on your representations and our review of the information at issue, we find the city has established the information submitted as Exhibit B constitutes attorney-client communications under rule 503. Thus, the city may withhold Exhibit B pursuant to rule 503 of the Texas Rules of Evidence.

Section 552.116 of the Government Code provides,

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You assert the information submitted as Exhibit C consists of audit working papers pertaining to an audit conducted by the City Auditor's Office (the "auditor's office") concerning a complaint received by the auditor's office in accordance with its policy on fraud, waste, and abuse. You state, and provide documentation demonstrating, the audit is authorized by City Council Resolution Number 98-0751, as well as specified sections of the city's charter and the Annual Audit Plan of the auditor's office. *See id.* § 552.116(b)(1). Based on your representations and our review, we agree the information submitted as Exhibit C constitutes audit working papers. Therefore, the city may withhold Exhibit C under section 552.116 of the Government Code.

In summary, the city may withhold Exhibit B pursuant to rule 503 of the Texas Rules of Evidence. The city may withhold Exhibit C under section 552.116 of the Government Code.
