Dallas, Texas 75207-4313

OR2015-12124

Dear Ms. Lutton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 567967.

The Dallas County Sheriff's Office (the "sheriff's office") received a request for the complete investigative file for a specified accident, including all investigation notes, statements, photographs and video. You state the responsive accident report has been released to the requestor. You claim the submitted information is excepted from disclosure under sections 552.101, 552.103, 552.108, and 552.1085 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the sheriff's office has only submitted photographs pertaining to the accident specified in the request. To the extent any additional responsive information existed when the present request was received, we assume it has been released. If such information has not been released, then it must be released at this time. *See* Gov't Code §§ 552.301(1), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes that no exceptions apply to requested information, it must release information as soon as possible).

Next, we must address the sheriff's office's procedural obligations under section 552.301 of the Government Code, which prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an open records request (1) written comments

stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See* Gov't Code § 552.301(e). The sheriff's office received the request for information on March 31, 2015. Thus, the sheriff's office's fifteen-business-day deadline was April 21, 2015. However, the envelope in which the sheriff's office provided a copy of the responsive photographs bears a postmark of April 23, 2015. *See id.* § 552.308 (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Therefore, the sheriff's office failed to comply with the procedural requirements mandated by section 552.301(e).

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the information is public and must be released unless the governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *Id.* § 552.302; *see also Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). This statutory presumption can generally be overcome when information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3 (1994), 325 at 2 (1982). Although the sheriff's office seeks to withhold the submitted information under sections 552.103 and 552.108 of the Government Code, these sections are discretionary exceptions to disclosure that protect a governmental body's interest and may be waived. *See Simmons*, 166 S.W.3d at 350 (section 552.108 is not compelling reason to withhold information under section 552.302); *Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive section 552.103); Open Records Decision Nos. 542 at 4 (1990) (statutory predecessor to section 552.103 may be waived), 177 (1977) (statutory predecessor to section 552.108 subject to waiver); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (untimely request for decision resulted in waiver of discretionary exceptions). Thus, the sheriff's office has waived its claims under sections 552.103 and 552.108. You also raise sections 552.101 and 552.1085 of the Government Code for the submitted information. Because sections 552.101 and 552.1085 can provide compelling reasons to overcome the presumption of openness, we will consider their applicability to the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 provides information that "relates to a motor vehicle accident reported under [chapter 550]" is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. Transp. Code § 550.065(a)-(b). Chapter 550 requires the creation of a written report when the accident resulted in injury to

or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator’s accident report), .062 (officer’s accident report). A governmental entity may release information related to a reported accident only in accordance with subsections (c) and (e). *Id.* § 550.065(c), (e). Section 550.065(c)(4) provides a governmental entity shall release such information to a person who provides two of the following three pieces of information: (1) the date of the accident, (2) the name of any person involved in the accident, and (3) the specific address or the highway or street where the accident occurred. *Id.* § 550.065(c)(4).

In *City of San Antonio v. Abbott*, the court of appeals considered the applicability of section 550.065 to certain information related to an accident. 432 S.W.3d 429 (Tex. App.—Austin 2014, pet. denied). The information at issue consisted of call-for-service and dispatch logs, and the requestor did not provide the requisite information pursuant to section 550.065(c)(4) to obtain the logs. The city argued the plain meaning of the phrase, “information that . . . relates to a motor vehicle accident” in section 550.065 includes *any* information pertaining to an accident reported under chapter 550, and thus, encompasses the information in its logs. Thus, the city contended the logs are confidential because the information relates to motor vehicle accidents reported under chapter 550. The court of appeals agreed with the city’s interpretation of section 550.065. The court held the phrase “relates to” is “very broad” and the Legislature’s use of the phrase “has the effect of broadening the scope of [s]ection 550.065 to render more than the actual accident reports confidential.” *Id.* at 432. Because the court found the language in section 550.065 to be unambiguous and encompass more than the actual accident report required to be filed under chapter 550, it concluded the city’s call-for-service and dispatch logs are confidential under section 550.065(b) of the Transportation Code. Relying on the court’s interpretation of the broad scope of section 550.065, we construe the converse to be true when the requestor does provide the requisite information pursuant to section 550.065(c)(4). Thus, based on the court’s rationale, when a person provides two of the required pieces of information to a governmental entity, it must release any information that relates to a motor vehicle accident required to be reported under chapter 550. Such a release is not limited to the accident report itself. *Id.* at 433.

We note the requested information relates to a motor vehicle accident required to be reported under chapter 550 because it resulted in the death of a person and damage to the property of a person in an amount that exceeds \$1,000. Further, we note the requestor has provided the sheriff’s office with the requisite information. Although the sheriff’s office asserts the submitted information is subject to section 552.101 of the Government Code in conjunction with common-law privacy, when a statute directly conflicts with a common-law principle or claim, the statutory provision controls and preempts common-law. *See Collins v. Tex Mall, L.P.*, 297 S.W.3d 409, 415 (Tex. App.—Fort Worth 2009, no pet.) (statutory provision controls and preempts common-law only when the statute directly conflicts with common law principle); *see also CenterPoint Energy Houston Elec. LLC v. Harris County Toll Rd.*, 436 F.3d 541, 544 (5th Cir. 2006) (common law controls only where there is no conflicting or controlling statutory law). Thus, the sheriff’s office may not withhold any of

the submitted information under section 552.101 of the Government Code in conjunction with common-law privacy.

You argue the information being released contains information subject to section 411.083 of the Government Code, which is encompassed by section 552.101 of the Government Code and makes confidential criminal history record information (“CHRI”) generated by the National Crime Information Center or by the Texas Crime Information Center. *See* Gov’t Code § 411.083(a). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual laws with respect to the CHRI it generates. *See id.* Section 411.083 of the Government Code deems confidential CHRI that the Department of Public Safety (“DPS”) maintains, except that DPS may disseminate this information as provided in chapter 411, subchapter F of the Government Code. *See* Gov’t Code § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Thus, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 in conjunction with chapter 411, subchapter F of the Government Code. Upon review, we find you have failed to demonstrate how any portion of the submitted photographs constitutes CHRI for purposes of chapter 411 or federal law. Therefore, the sheriff’s office may not withhold any of the submitted information under section 552.101 of the Government Code on this basis.

The sheriff’s office also asserts section 552.1085 for the submitted photographs. Section 552.1085 of the Government Code, provides, in pertinent part:

(c) A sensitive crime scene image in the custody of a governmental body is confidential and excepted from the requirements of Section 552.021 and a governmental body may not permit a person to view or copy the image except as provided by this section. This section applies to any sensitive crime scene image regardless of the date that the image was taken or recorded.

Id. § 552.1085(c). We note, as a general rule, statutes governing the release of specific information prevail over the general exceptions to disclosure found in the Act. *See* Attorney General Opinion DM-146 at 3 (1992); *see also* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exceptions to disclosure under the Act). Because section 552.1085 has its own access provisions, we conclude section 552.1085 is not a general exception under the Act. Thus, we must address the applicability of section 552.1085 to the submitted information.

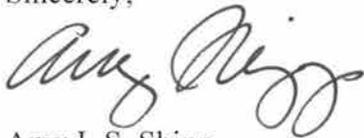

For purposes of section 552.1085, “sensitive crime scene image” means “a photograph or video recording taken at a crime scene, contained in or part of a closed criminal case, that depicts a deceased person in a state of dismemberment, decapitation, or similar mutilation or that depicts the deceased person’s genitalia.” *See* Gov’t Code § 552.1085(a)(6). Upon review, we find the submitted photographs do not consist of sensitive crime scene images for the purposes of section 552.1085. Thus, the sheriff’s office may not withhold any of the submitted information under section 552.1085 of the Government Code.

In summary, the sheriff’s office must release the submitted information to the requestor pursuant to section 550.065(c) of the Transportation Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
