OR2015-12146

Dear Ms. Manning:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 568149.

The Lubbock Independent School District (the "district"), which you represent, received a request for a former employee's resume, the former employee's resignation letter, and correspondence pertaining to the former employee for a specified time period. You state the district has released some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.<sup>1</sup> We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>2</sup>

Initially, we note the United States Department of Education Family Policy Compliance Office has informed this office the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code, does not permit state and local

---

<sup>1</sup>Although you also raise section 552.102 for the submitted information, you provide no arguments explaining how this exception is applicable to the information at issue. Therefore, we assume you no longer assert this exception. *See* Gov't Code §§ 552.301, .302.

<sup>2</sup>We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

educational authorities to disclose to this office, without parental or an adult student's consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act.<sup>3</sup> Consequently, state and local educational authorities that receive a request for education records from a member of the public under the Act must not submit education records to this office in unredacted form, that is, in a form in which "personally identifiable information" is disclosed. *See* 34 C.F.R. § 99.3 (defining "personally identifiable information"). You have submitted unredacted education records for our review. Because our office is prohibited from reviewing these records to determine whether appropriate redactions under FERPA have been or should be made, we will not address the applicability of FERPA to any of the submitted records. *See* 20 U.S.C. § 1232g(a)(1)(A). Such determinations under FERPA must be made by the educational authority in possession of the education records. However, we will address your argument against disclosure of the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 21.355 of the Education Code, which provides that "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355. In addition, the court has concluded a written reprimand constitutes an evaluation for purposes of section 21.355 because "it reflects the principal's judgment regarding [a teacher's] actions, gives corrective direction, and provides for further review." *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.). This office has interpreted this section to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or administrator. Open Records Decision No. 643 (1996). In that opinion, we concluded that a teacher is someone who is required to hold and does hold a certificate or permit required under chapter 21 of the Education Code and is teaching at the time of his or her evaluation. *Id.* We also have determined that for purposes of section 21.355, "administrator" means a person who is required to and does in fact hold an administrator's certificate under subchapter B of chapter 21 of the Education Code and is performing the functions of an administrator, as that term is commonly defined, at the time of the evaluation. *Id.*

You claim the submitted information consists of evaluations of a teacher that are confidential under section 21.355 of the Education Code. You state the individual at issue held the appropriate certificate at the time of the evaluations. However, the submitted information pertains to the former employee in her capacity as a coach. Upon review, we find you have failed to demonstrate how any of the submitted information constitutes an evaluation of the performance of a teacher or an administrator for the purposes of section 21.355 of the Education Code. *See* Educ. Code § 21.353 (teachers shall be appraised only on basis of classroom teaching performance and not in connection with extracurricular activities).

Therefore, the district may not withhold any of the submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

Some of the submitted information may be subject to section 552.117 of the Government Code.<sup>4</sup> Section 552.117(a)(1) excepts from disclosure the home address and telephone number, emergency contact information, social security number, and family member information of current or former employees or officials of a governmental body who request this information be kept confidential under section 552.024 of the Government Code. *See Gov't Code § 552.117(a)(1)*. Section 552.117 is also applicable to personal cellular telephone numbers, provided the cellular telephone service is not paid for by a governmental body. *See Open Records Decision No. 506 at 5-6 (1988)* (section 552.117 not applicable to cellular telephone numbers paid for by governmental body and intended for official use). Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the governmental body's receipt of the request for the information. *See Open Records Decision No. 530 at 5 (1989)*. Thus, information may be withheld under section 552.117(a)(1) only on behalf of a current or former employee or official who made a request for confidentiality under section 552.024 prior to the date of the governmental body's receipt of the request for information. Information may not be withheld under section 552.117(a)(1) on behalf of a current or former employee or official who did not timely request under section 552.024 the information be kept confidential. Therefore, to the extent the individuals whose information we marked timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we marked under section 552.117(a)(1) of the Government Code; however, the district may only withhold the cellular telephone number at issue if the service is not paid for by a governmental body. Conversely, to the extent the individuals at issue did not timely request confidentiality under section 552.024, the district may not withhold the marked information under section 552.117(a)(1).

Section 552.137 of the Government Code excepts from disclosure "an e-mail address of a member of the public that is provided for the purpose of communicating electronically with a governmental body" unless the member of the public consents to its release or the e-mail address is of a type specifically excluded by subsection (c). *See Gov't Code § 552.137(a)-(c)*. The e-mail address at issue is not excluded by subsection (c). Upon review, we find the district must withhold the e-mail address we marked under section 552.137 of the Government Code, unless its owner affirmatively consents to its public disclosure.

---

<sup>4</sup>The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987)*.

In summary, to the extent the individuals whose information we marked timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we marked under section 552.117(a)(1) of the Government Code; however, the district may only withhold the cellular telephone number at issue if the service is not paid for by a governmental body. The district must withhold the e-mail address we marked under section 552.137 of the Government Code, unless its owner affirmatively consents to its public disclosure. The district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
