Dear Ms. Alcorn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 568382 (City File No. 387).

The City of Corpus Christi (the "city") received a request for the settlement agreement related to a specified cause number. Although we understand the city to take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the interests of the Nueces County Water Control and Improvement District Number 4 (the "district"). Accordingly, you state, and provide documentation demonstrating, you notified the district of the request for information and of its right to submit arguments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.304 (interested third party may submit comments stating why information should or should not be released). We have reviewed the submitted information.

As of the date of this letter, we have not received comments from the district explaining why any portion of the submitted information should not be released to this requestor. As no exceptions to disclosure have been raised, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
