

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

June 25, 2015

Mr. Russell W. Malm  
Midland County Attorney  
Midland County Attorney's Office  
500 North Lorraine, Suite 1103  
Midland, Texas 79701

OR2015-12562

Dear Mr. Malm:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 568502.

The Midland County District Attorney's Office (the "district attorney's office") received a request for the complete case file of a specified case. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Act of June 1, 2015, 84th Leg., R.S., H.B. 2633, § 1 (to be codified at Transp. Code § 550.065(a)(1)). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. Transp. Code §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). Act of June 1, 2015, 84th Leg., R.S., H.B. 2633, § 1 (to be codified at Transp. Code § 550.065(c), (c-1)). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

We note the submitted information contains a CR-3 accident report form completed pursuant to chapter 550. Here, the requestor is a person listed under section 550.065(c). Although the district attorney's office asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c) prevails and the district attorney's office may not withhold the information under section 552.108 of the Government Code. Thus, the district attorney's office must release the accident report to the requestor pursuant to section 550.065(c).

Section 552.108 of the Government Code provides, in part:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from [required public disclosure] if:

...

(4) it is information that:

(A) is prepared by an attorney representing the state in anticipation of or in the course of preparing for criminal litigation; or

(B) reflects the mental impressions or legal reasoning of an attorney representing the state.

Gov't Code § 552.108(a)(4). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* §§ 552.108, .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). In *Curry v. Walker*, 873 S.W.2d 379 (Tex. 1994), the Texas Supreme Court held a request for a district attorney's "entire litigation file" was "too broad" and, quoting *National Union Fire Insurance Co. v. Valdez*, 863 S.W.2d 458 (Tex. 1993) (orig. proceeding), held "the decision as to what to include in [the file] necessarily reveals the attorney's thought processes concerning the prosecution or defense of the case." *Curry*, 873 S.W.2d at 380. The present request is for all documents related to a specified case. You contend the request encompasses the district attorney's office's entire prosecution file for the case at issue. In addition, you assert release of the remaining information would reveal the prosecutor's legal reasoning and thought process. Based on your representations and our review, we agree section 552.108(a)(4) is applicable to the remaining information.

However, as you acknowledge, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). See also Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, you may withhold the remaining information under section 552.108(a)(4) of the Government Code.

In summary, the district attorney's office must release the submitted CR-3 accident report form to this requestor in its entirety pursuant to section 550.065(c) of the Transportation Code. With the exception of the basic information, which must be released, the district attorney's office may withhold the remaining information under section 552.108(a)(4) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
