

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 26, 2015

Ms. Susan Fillion
Assistant County Attorney
County of Harris
1200 Baker Street
Houston, Texas 77002

OR2015-12765

Dear Ms. Fillion:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 568816 (HCSO File No. 14SO400205).

The Harris County Sheriff's Office (the "sheriff's office") received a request for the audio recording of a specified 9-1-1 call. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the sheriff's office's procedural obligations under the Act. Section 552.301 of the Government Code prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(b), the governmental body must request a ruling from this office and state the exceptions to disclosure that apply within ten business days after receiving the request. *See* Gov't Code § 552.301(b). The sheriff's office states it received the request for information on April 2, 2015. The sheriff's office states April 3, 2015, was a holiday. This office does not count the date the request was received or holidays as business days for the purpose of calculating a governmental body's deadlines under the Act. The sheriff's office does not inform us it was closed for business on any of

the other days at issue. Accordingly, the ten-business-day deadline was April 17, 2015. However, the sheriff's office submitted the information required under section 552.301(b) in an envelope bearing a meter-mark of April 20, 2015. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Consequently, we find the sheriff's office failed to comply with section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption the information is public and must be released, unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); Open Records Decision No. 630 (1994). Although you seek to withhold the submitted information under section 552.108 of the Government Code, this exception is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. *See* Open Records Decision No. 177 (1977) (governmental body may waive statutory predecessor to section 552.108); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Accordingly, the sheriff's office may not withhold any of the submitted information under section 552.108. As the sheriff's office raises no further exceptions to disclosure, the sheriff's office must release the submitted information to this requestor.¹

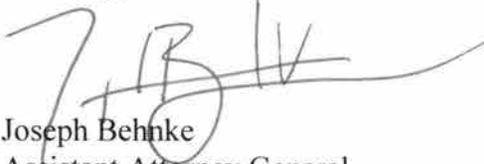

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
