Dear Mr. Pittman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 569745.

The City of Frisco (the "city"), which you represent, received a request for information pertaining to a specified motor vehicle accident. You state the city has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. Gov't Code § 552.130(a). Upon review, we agree the submitted video recordings contain information subject to section 552.130. You state the city does not have the technological capability to redact the motor vehicle record information from the recordings. Accordingly, the city must withhold the submitted video recording in their entirety under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
