Mr. Guillermo Trevino  
Assistant City Attorney  
City of Fort Worth  
Office of the City Attorney  
1000 Throckmorton Street, Third Floor

OR2015-13015

Dear Mr. Trevino:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 569545 (PIR No. W041822).

The City of Fort Worth (the "city") received a request for information pertaining to internal affairs investigations of a named city police officer that resulted in disciplinary action. The city states it does not have some of the requested information.<sup>1</sup> The city claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section excepts from disclosure information deemed confidential by statute, such as section 143.089 of the Local Government Code. You inform us the city is a civil service city under chapter 143 of the Local Government Code. Section 143.089 contemplates two different types of personnel files: a police officer's civil service file that the civil service director is required to maintain, and an internal file that the police department may maintain for its own use. Local Gov't Code § 143.089(a), (g). In cases in which a police department investigates a police officer's misconduct and takes disciplinary action against an officer, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents

---

<sup>1</sup>The Act does not require a governmental body to disclose information that did not exist when the request for information was received. *See generally Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. App.—San Antonio 1978, writ dismissed).

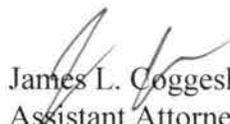

such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer's civil service file maintained under section 143.089(a).<sup>2</sup> *Abbott v. City of Corpus Christi*, 109 S.W.3d 113, 122 (Tex. App.—Austin 2003, no pet.). All investigatory materials in a case resulting in disciplinary action are “from the employing department” when they are held by or in possession of the department because of its investigation into a police officer's misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Such records are subject to release under the Act. *See* Local Gov't Code § 143.089(f); Open Records Decision No. 562 at 6 (1990). However, information maintained in a police department's internal file pursuant to section 143.089(g) is confidential and must not be released. *City of San Antonio v. Texas Attorney Gen.*, 851 S.W.2d 946, 949 (Tex. App.—Austin 1993, writ denied).

The city informs us the submitted information pertains to investigations of the named police officer that did not result in disciplinary action against the officer for purposes of chapter 143. The city states this information is maintained in the police department's internal files concerning the named officer. Upon review, we agree the submitted information is confidential pursuant to section 143.089(g) of the Local Government Code and the city must withhold it under section 552.101 of the Government Code on that ground.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
