Mr. Matthew L. Butler  
Counsel for the City of Grapevine

OR2015-13056

Dear Mr. Butler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 572245.

The Grapevine Police Department (the "department"), which you represent, received a request for information pertaining to a specified incident. You state the department has released some responsive information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.103 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

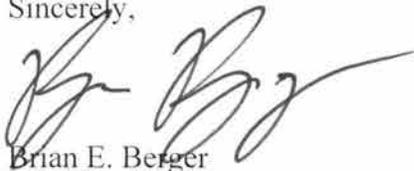

You state the submitted information was the subject of a previous request for information, in response to which this office issued Open Records Letter No. 2015-09219 (2015). In Open Records Letter No. 2015-09219, we determined (1) the department must release the press release and the court-filed documents we marked; (2) in releasing the court-filed documents, the department must withhold the motor vehicle record information we marked under section 552.130 of the Government Code; (3) with the exception of basic information, which must be released, the department may withhold the information it indicated under section 552.108(a)(1) of the Government Code on behalf of the Tarrant County District Attorney's Office; (4) the department may withhold the information it indicated under section 552.103 of the Government Code; (5) the department may withhold the information it indicated under section 552.107(1) of the Government Code; and (6) the department must release the remaining information. You state the law, facts, and circumstances on which the

prior ruling was based have not changed. Accordingly, the department must continue to rely on Open Records Letter No. 2015-09219 as a previous determination and withhold or release the submitted information in accordance with that ruling.<sup>1</sup> See Open Records Decision No. 673 at 6-7 (2001) (discussing criteria for first type of previous determination).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Brian E. Berger
