Dear Ms. Kimeu:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 569270 (ORU No. 15-2290).

The Houston Police Department (the "department") received a request for a specified internal affairs report. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information. We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (permitting interested third party to submit to attorney general reasons why requested information should or should not be released).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. Section 552.101 of the Government Code encompasses section 143.1214 of the Local Government Code, which provides in relevant part:

- (b) The department shall maintain an investigatory file that relates to a disciplinary action against a fire fighter or police officer that was overturned on appeal, or any document in the possession of the department that relates to a charge of misconduct against a fire fighter or police officer, regardless of whether the charge is sustained, only in a file created by the department for

the department's use. The department may only release information in those investigatory files or documents relating to a charge of misconduct:

- (1) to another law enforcement agency or fire department;
- (2) to the office of a district or United States attorney; or
- (3) in accordance with Subsection (c).

(c) The department head or the department head's designee may forward a document that relates to disciplinary action against a fire fighter or police officer to the director or the director's designee for inclusion in the fire fighter's or police officer's personnel file maintained under Sections 143.089(a)-(f) only if:

- (1) disciplinary action was actually taken against the fire fighter or police officer;
- (2) the document shows the disciplinary action taken; and
- (3) the document includes at least a brief summary of the facts on which the disciplinary action was based.

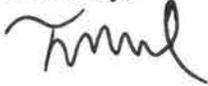

Local Gov't Code § 143.1214(b)-(c). You state the submitted information consists of records of an internal investigation of alleged misconduct on the part of department police officers. You inform us the allegations of misconduct were classified as unfounded or not sustained and no disciplinary action was taken. We understand this information does not meet the requirements of section 143.1214(c) for inclusion in the police officer's civil service personnel file. *See id.* § 143.1214(c); *see also id.* § 143.089(a)-(g). You explain the information at issue is maintained in the department's investigatory files. You state the requestor is not a representative of another law enforcement agency, a fire department, or the office of a district or United States attorney. *See id.* § 143.1214(b)(1)-(2). Based on your representations and our review, we agree the submitted information is confidential under section 143.1214 of the Local Government Code and must be withheld under section 552.101 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
