Mr. John C. West  
General Counsel  
TDCJ - Office of the Inspector General  
4616 West Howard Lane, Suite 250

OR2015-13110

Dear Mr. West:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 569278 (OIG Open Records 2015-00081).

The Office of the Inspector General of the Texas Department of Criminal Justice (the "department") received a request for information pertaining to a deceased named inmate. You state you have released basic information and the submitted Custodial Death Report to the requestor with redactions under sections 552.117, 552.1175, and 552.147 of the Government Code and pursuant to previous determinations issued by this office, including Open Records Letter No. 2005-01067 (2005).<sup>1</sup> You claim the submitted information is excepted from disclosure under sections 552.101, 552.102, 552.108, and 552.134 of the

---

<sup>1</sup>Section 552.024 of the Government Code permits a governmental body to redact information subject to section 552.117 of the Government Code in certain situations without requesting a decision from this office. *See* Gov't Code § 552.024(c). Section 552.1175(f) of the Government Code authorizes a governmental body to redact under section 552.1175(b), without the necessity of requesting a decision from this office, the home addresses and telephone numbers, emergency contact information, social security number, and family member information of a peace officer as defined by article 2.12 of the Code of Criminal Procedure who properly elects to keep this information confidential. *See id.* § 552.1175(b), (f). Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See id.* § 552.147(b). Open Records Letter No. 2005-01067 serves as a previous determination permitting the department to withhold the present and former home addresses and telephone numbers, social security numbers, and family member information of current or former employees of the department, regardless of whether they comply with section 552.1175 of the Government Code, under section 552.117(a)(3) of the Government Code without requesting a decision from this office.

Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.134 of the Government Code is applicable to information related to inmates of the department. Section 552.134 states, in relevant part:

(a) Except as provided by Subsection (b) or by Section 552.029, information obtained or maintained by the [department] is excepted from the requirements of Section 552.021 if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

Gov't Code § 552.134(a). However, section 552.029 of the Government Code provides:

Notwithstanding Section . . . 552.134, the following information about an inmate who is confined in a facility operated by or under a contract with the [department] is subject to required disclosure under Section 552.021:

. . .

(8) basic information regarding the death of an inmate in custody, an incident involving the use of force, or an alleged crime involving the inmate.

*Id.* § 552.029(8). Thus, the legislature explicitly made section 552.134 subject to section 552.029. Although the inmate to whom the information at issue pertains is deceased, section 552.134 is applicable to information that relates to the decedent as an inmate. Thus, we find section 552.134 is generally applicable to the information at issue. We note, however, the information in question is related to the death of an inmate in custody. Therefore, basic information about this inmate's death is subject to disclosure under section 552.029(8). Basic information under section 552.029(8) includes the time and place of the incident, the names of inmates and of department employees who were involved, a brief narrative of the incident, a brief description of any injuries sustained by anyone involved, and information regarding any criminal charges or disciplinary actions that were filed as a result of the incident. Accordingly, with the exception of basic information, which you state you have released, the department must withhold the submitted information under section 552.134 of the Government Code.<sup>2</sup>

<sup>2</sup>As our ruling is dispositive, we need not address your remaining arguments against disclosure of this information, except to note basic information may generally not be withheld under section 552.108 of the Government Code. *See* Open Records Decision No. 127 (1976); Gov't Code § 552.108(c).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
