Dear Ms. Presley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 570348 (Frisco Ref. No. P004379-041715).

The Frisco Police Department (the "department") received a request for a recording from a named officer's body camera related to a specified incident. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

You assert the submitted video recording contains motor vehicle record information that is excepted from disclosure under section 552.130 of the Government Code. Section 552.130 provides information relating to a motor vehicle operator's or driver's license or permit, or motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130(a). Upon review, we agree the submitted video recording contains motor vehicle record information. In this instance, you state the department does not possess the technological capability to redact information from video files. Thus, we agree the department must withhold the entire video recording under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
