ATTORNEY GENERAL OF TEXAS

July 2, 2015

Ms. Jenny Wells
General Counsel
Leander Independent School District
P.O. Box 218
Leander, Texas 78646

OR2015-13385

Dear Ms. Wells:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 569948 (Leander Request #1257).

The Leander Independent School District (the "district") received a request for complaints submitted by the district to the State Board for Educator Certification pertaining to educators at a specified school during a specified time period.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 21.355 of the Education Code, which provides, in part, "[a] document evaluating the performance of a teacher or administrator is confidential." *See* Educ. Code § 21.355(a). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or an administrator. *See* Open Records Decision No. 643 (1996). We have

¹We note the district sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

determined that for purposes of section 21.355, the word “teacher” means a person who is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code and who is engaged in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See id.* at 4. Additionally, the Third Court of Appeals has concluded that a written reprimand constitutes an evaluation for purposes of section 21.355, as it “reflects the principal’s judgment regarding [a teacher’s] actions, gives corrective direction, and provides for further review.” *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.).

You contend the submitted information consists of a document that evaluates the performance of a teacher by the district. You inform us the teacher held the appropriate teaching certificate at the time of the creation of the evaluation and was engaged in the process of teaching at the time of the evaluation. Based on your representations and our review, we find the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
