Dear Ms. White:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 576052.

The Town of Flower Mound (the "town"), which you represent, received a request for information pertaining to all incidents at a specified address during a specified time period. You state the town will release some of the requested information. You claim some of the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 excepts from disclosure information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. You assert the submitted video recordings contain motor vehicle record information that is excepted from disclosure under section 552.130. Upon review, we find the submitted video recordings contain confidential motor vehicle record information. In this instance, we understand the town does not possess the technological capability to redact information from video files. Thus, we find the town must withhold the submitted information under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).
