Texas Department of Public Safety  
P.O. Box 4087

OR2015-13511

Dear Ms. Cost:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 576219 (ORR# 15-2589).

The Texas Department of Public Safety (the "department") received a request for information pertaining to a specified accident. You state the department has released the basic information pertaining to the submitted report. *See* Gov't Code § 552.108(c) (basic information about an arrest, arrested person, or crime cannot be withheld under section 552.108). You claim some of the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code.<sup>1</sup> We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to a

pending criminal investigation or prosecution. Based upon your representation, we conclude release of the information you have marked will interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find the department may withhold the information you marked under section 552.108(a)(1) of the Government Code.<sup>2</sup>

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See Gov't Code § 552.130*. You state the department will withhold motor vehicle record information pursuant to section 552.130(c) of the Government Code.<sup>3</sup> Upon review, we find most of the information you have marked consists of motor vehicle record information. However, a portion of the information at issue, which we have marked for release, does not consist of motor vehicle record information and may not be withheld under section 552.130 of the Government Code. Accordingly, except for the information we marked for release, the department must withhold the motor vehicle record information you marked under section 552.130 of the Government Code.

In summary, the department may withhold the information you marked under section 552.108(a)(1) of the Government Code. Except for the information we marked for release, the department must withhold the motor vehicle record information you marked under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. <sup>2</sup>As our ruling is dispositive for this information, we need not address your remaining argument against its disclosure.
