Dear Ms. Alcorn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 576576 (CCPD File No. RSe11).

The Corpus Christi Police Department (the "department") received a request for information pertaining to a specified arrest. You claim some of the submitted information is excepted from disclosure under section 552.152 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

You seek to withhold the identifying information of undercover officers from the submitted information under section 552.152 of the Government Code. Section 552.152 provides as follows:

Information in the custody of a governmental body that relates to an employee or officer of the governmental body is excepted from the requirements of Section 552.021 if, under the specific circumstances pertaining to the employee or officer, disclosure of the information would subject the employee or officer to a substantial threat of physical harm.

Id. § 552.152. You represent the release of the undercover officers' identities would subject the officers to a substantial threat of physical harm. Therefore, we find section 552.152 is applicable to the identities of the undercover officers within the information at issue.

Accordingly, the department must withhold the identifying information of the undercover officers, which you have marked, under section 552.152 of the Government Code. As you raise no further exceptions to disclosure, the department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
