Mr. James Kopp

Office of the City Attorney

P.O. Box 839966

OR2015-13801

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 570569 (COSA File No. W073990).

The San Antonio Police Department (the "department") received a request for offense report number 15068173. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.<sup>1</sup> We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 261.201 of the Family Code, which provides, in relevant part:

(a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

---

<sup>1</sup>We note the department failed to comply with the procedural requirements of section 552.301 of the Government Code in requesting a decision from this office. *See* Gov't Code § 552.301(b), (e). Nonetheless, section 552.101 of the Government Code is a mandatory exception that can provide a compelling reason to overcome the presumption of openness caused by failure to comply with section 552.301. *See id.* §§ 552.007, .302. Thus, we will address the applicability of this exception to the submitted information, notwithstanding the department's violation of section 552.301 in requesting this decision.

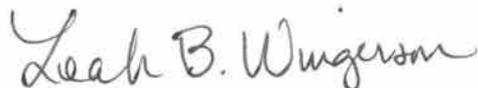

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). You represent the submitted information was used or developed in an investigation by the department of alleged child abuse or neglect. *See id.* § 261.001(1), (4) (defining “abuse” and “neglect” for purposes of chapter 261 of the Family Code); *see also id.* § 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had disabilities of minority removed for general purposes). Upon review, we find the submitted information is within the scope of section 261.201 of the Family Code. You have not informed us, or otherwise indicated, the department has adopted a rule that governs the release of this type of information. Therefore, we assume no such regulation exists. Given that assumption, we find the submitted information is confidential pursuant to section 261.201 of the Family Code. *See Open Records Decision No. 440 at 2 (1986) (predecessor statute).* Accordingly, the department must withhold the submitted information in its entirety under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code.<sup>2</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
