Dear Ms. Jones:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 571284.

The Texas Board of Veterinary Medical Examiners (the "board") received a request for information pertaining to a specified investigation. You state the board has released some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information made confidential by other statutes, such as section 801.207 of the Occupations Code. Section 801.207(b) provides, "[a]n investigation record of the board, including a record relating to a complaint that is found to be groundless, is confidential." Occ. Code § 801.207(b). You state under the board's procedures, an investigation file is opened upon receipt of a complaint, and any matters related to that complaint and subsequent investigation become part of the investigation record. You inform us the information at issue relates to a complaint filed with the board and this information is contained within an investigation file. Based on your representations and our review, we conclude the information at issue is confidential under

section 801.207(b) of the Occupations Code and must be withheld under section 552.101 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
