OR2015-14391

Dear Ms. Collins:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 573626 (ORR# 2015.202).

The El Paso Independent School District (the "district") received a request for the bid responses of all vendors for a copier bid from 2009. The district states it is releasing some of the requested information. The district does not take a position as to whether the submitted information is excepted from disclosure under the Act. However, the district states, and provides documentation showing, it notified Better Buys, Oce Imagistics, Inc., Spectrum Imaging Systems, and Toshiba of the district's receipt of the request for information and of the right of each to submit arguments to this office as to why the requested information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 at 3 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.<sup>1</sup>

---

<sup>1</sup>We are unable to determine whether the district complied with the requirements of section 552.301 of the Government Code. *See* Gov't Code § 552.301. Regardless, third-party interests can provide a compelling reason to overcome the presumption of openness caused by a failure to comply with section 552.301. *See id.* §§ 552.007, .302. Thus, we will consider whether the submitted information must be withheld under the Act on that ground.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why requested information relating to it should be withheld from disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, none of the interested third parties has submitted to this office any reasons explaining why the requested information should not be released. Thus, we have no basis for concluding the submitted information constitutes proprietary information of these third parties, and the district may not withhold any portion of it on that basis. *See* Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3.

The submitted information contains insurance policy numbers. Section 552.136(b) of the Government Code provides, "notwithstanding any other provision of this chapter, a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential."<sup>2</sup> Gov't Code § 552.136(b). This office has determined an insurance policy number is an access device number for purposes of section 552.136. Open Records Decision No. 684 at 9 (2009). Thus, the district must withhold the insurance policy numbers we have marked under section 552.136 of the Government Code.

We note some of the materials at issue may be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; *see* Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit.

To conclude, the district must withhold the information we have marked under section 552.136 of the Government Code. The district must release the remaining information, but may only release any copyrighted information in accordance with copyright law.

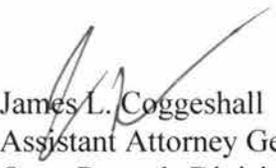

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>2</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body. *See* Open Records Decision Nos. 481 at 2 (1987), 480 at 5 (1987).

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
