

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 16, 2015

Mr. James Kopp
Assistant City Attorney
City of San Antonio
Office of the City Attorney
P.O. Box 839966
San Antonio, Texas 78283-3966

OR2015-14496

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 577438 (COSA File No. W085850).

The City of San Antonio (the "city") received a request for a specified incident report. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 58.007 of the Family Code. The relevant language of section 58.007 reads:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

¹We note the city failed to comply with its procedural obligations under the Act. *See* Gov't Code § 552.301(b). However, because section 552.101 of the Government Code can provide a compelling reason to withhold information, we will address the applicability of this exception to the information at issue. *Id.* § 552.302.

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). Juvenile law enforcement records relating to delinquent conduct or conduct indicating a need for supervision that occurred on or after September 1, 1997 are confidential under section 58.007. *See id.* § 51.03(a), (b) (defining “delinquent conduct” and “conduct indicating a need for supervision”). For purposes of section 58.007(c), “child” means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). You state the submitted information is subject to section 58.007. However, upon our review, we find the submitted information does not identify a suspect or offender who is ten years of age or older and under seventeen years of age. As such, section 58.007 is not applicable and the city may not withhold the submitted information under section 552.101 on this basis.

Section 552.101 excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes, such as section 261.201(a) of the Family Code, which provides as follows:

(a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Although you raise section 261.201 for the submitted information, you have failed to demonstrate any portion of the submitted information was used or developed in an investigation of alleged or suspected child abuse or neglect under section 261.201(a)(2). Furthermore, you have not established the information is a report of

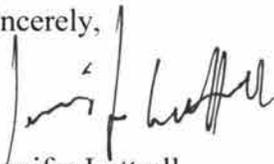

alleged or suspected abuse or neglect made under section 261.201(a)(1). *See id.* § 261.001(1), (4) (defining “abuse” and “neglect” for purposes of Fam. Code ch. 261). Therefore, the city may not withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.

We note some of the remaining information is subject to section 552.130 of the Government Code.² Section 552.130 of the Government Code excepts from disclosure information that relates to a motor vehicle operator’s license or driver’s license or a motor vehicle title or registration issued by a Texas agency, or an agency of another state or country. *See Gov’t Code* § 552.130(a)(1)-(2). Upon review, we find the city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Jennifer Luttrall
Assistant Attorney General
Open Records Division
