ATTORNEY GENERAL OF TEXAS

Ms. Sarah Stallberg
Assistant County Attorney
Montgomery County
501 North Thompson, Suite 300
Conroe, Texas 77301

OR2015-14747

Dear Ms. Stallberg:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 578019 (Montgomery County ORR# 15PIA364).

The Montgomery County Sheriff's office (the "sheriff's office") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to an active investigation or prosecution. Generally, the release of information pertaining to an open case is presumed to interfere with the criminal investigation. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). We note, however, the information at issue includes copies of citations. The

citations have previously been provided to the individuals cited. Because copies of these documents have previously been released to individuals cited, we find you have not shown how release of the documents will interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). Because the remaining information at issue has not been previously released, we conclude release of this information would interfere with the detection, investigation, or prosecution of crime. Thus, we find section 552.108(a)(1) is applicable to the remaining information at issue.

However, we note, and you acknowledge, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, which must be released, the sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.

We note portions of the citations are subject to section 552.130 of the Government Code.¹ Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the sheriff's office must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, the sheriff's office must release the submitted citations; however, in releasing these documents, the sheriff's office must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. With the exception of the basic information, the sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code. The remaining information must be released.²

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

²We note the information being released contains the requestor's driver's license information, to which the requestor has a right of access under section 552.023 of the Government Code. *See* Gov't Code §§ 552.023(a), .130; Open Records Decision No. 481 at 4 (1987). Section 552.130(c) of the Government Code authorizes a governmental body to redact information protected by section 552.130(a)(1) without the necessity of requesting a decision under the Act. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Thus, if the sheriff's office receives another request for this same information from a person who does not have such a right of access, sections 552.130(c) authorizes the sheriff's office to redact the requestor's driver's license information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
