

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 20, 2015

Mr. Nicholas Toulet
Assistant City Attorney
City of Midland
P.O.Box 1152
Midland, Texas 79701

OR2015-14748

Dear Mr. Toulet:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 578150 (Midland ID# 16949).

The Midland Police Department (the "department") received a request for information pertaining to a specified incident. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, such as chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Section 772.318 of the Health and Safety Code applies to an emergency communication district for a county with a population of more than 20,000 and makes confidential the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a 9-1-1 service supplier. *See* Open Records Decision No. 649 (1996). You state the City of Midland is part of an emergency communication district subject to section 772.318 of the Health and Safety Code. You further state the information you have marked consists of the originating telephone numbers of 9-1-1 callers furnished by a 9-1-1 service supplier. Accordingly, we find the department must withhold the information you have marked under section 552.101 of the Government Code in

conjunction with section 772.318 of the Health and Safety Code. As you raise no further exceptions to disclosure, the remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
