ATTORNEY GENERAL OF TEXAS

July 22, 2015

Mr. Robert Gervais
City Attorney
City of Manvel
P.O. Box 187
Manvel, Texas 77578

OR2015-14935

Dear Mr. Gervais:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 578449.

The Manvel Police Department (the "department") received a request for information pertaining to a specified incident. You state the department is withholding motor vehicle record information pursuant to section 552.130(c) of the Government Code, access device numbers pursuant to section 552.136(c) of the Government Code, and social security numbers pursuant to section 552.147(b) of the Government Code.¹ You further state the department is withholding certain information pursuant to Open Records Decision No. 684

¹Section 552.130(c) of the Government Code allows a governmental body to redact the information described in subsection 552.130(a) without the necessity of seeking a decision from the attorney general. *See Gov't Code* § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Section 552.136(c) of the Government Code allows a governmental body to redact the information described in section 552.136(b) without the necessity of seeking a decision from the attorney general. *See id.* § 552.136(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.136(e). *See id.* § 552.136(d), (e). Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See id.* § 552.147(b).

(2009).² You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

A portion of the submitted information is subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Act of June 1, 2015, 84th Leg., R.S., H.B. 2633, § 1 (to be codified at Transp. Code § 550.065(a)(1)). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. Transp. Code §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). Act of June 1, 2015, 84th Leg., R.S., H.B. 2633, § 1 (to be codified at Transp. Code § 550.065(c), (c-1)). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is a person listed under section 550.065(c). Although the department asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c) prevails and the department may not withhold the information under section 552.108 of the Government Code. Thus, the department must release the accident report to this requestor pursuant to section 550.065(c).

Next, we note the submitted information includes the breath test results of an arrestee's blood alcohol content. Full information concerning the analysis of the specimen must be made available upon the request of the person who has given the specimen at the request of a peace officer. *See* Transp. Code § 724.018. Here, the requestor is the individual who submitted the specimen. You seek to withhold this information under section 552.108 of the Government Code. However, we note a statutory right of access generally prevails over the exceptions to public disclosure under the Act. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Thus, the department must release the breath test results to this requestor pursuant to section 724.018 of the Transportation Code.

²Open Records Decision No. 684 is a previous determination to all governmental bodies authorizing them to withhold certain information without the necessity of requesting an attorney general decision.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to an active investigation or prosecution. Generally, the release of information pertaining to an open case is presumed to interfere with the criminal investigation. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). We note, however, the information at issue includes a DIC-24 Statutory Warning. The Statutory Warning and Notice of Suspension has previously been provided to the arrestee. Because a copy of this document has previously been released to the arrestee, we find you have not shown how its release will interfere with the detection, investigation, or prosecution of crime, and it may not be withheld under section 552.108(a)(1). *See* Gov’t Code § 552.108(a)(1). Because the remaining information at issue has not been previously released, we conclude release of this information would interfere with the detection, investigation, or prosecution of crime. Thus, we find section 552.108(a)(1) is applicable to the remaining information at issue.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

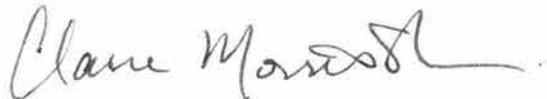

In summary, the department must release the submitted breath test results pursuant to section 724.018 of the Transportation Code and must release the submitted Statutory Warning. With the exception of the basic information, which must be released, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>
