General Counsel
Texas Water Development Board
P.O. Box 13231

Dear Mr. Trobman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 572502.

The Texas Water Development Board (the "board") received a request for the applications, scoring, and notes created by interviewers during the interview process for a specified employment position. You state you have released some information to the requestor. You claim some of the submitted information is excepted from disclosure under section 552.122 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.122 of the Government Code excepts from disclosure "[a] test item developed by a . . . governmental body[.]" Gov't Code § 552.122(b). In Open Records Decision No. 626 (1994), this office determined that the term "test item" in section 552.122 includes "any standard means by which an individual's or group's knowledge or ability in a particular

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

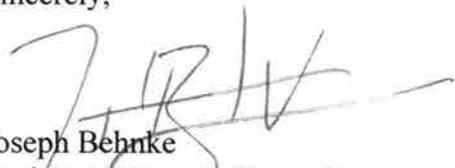

area is evaluated.” ORD 626 at 6. The term “test item” does not encompass evaluations of an employee’s overall job performance or suitability. *See id.* at 8. The question of whether specific information falls within the scope of section 552.122(b) must be determined on a case-by-case basis. *Id.* at 6. Traditionally, this office has applied section 552.122 where release of test items might compromise the effectiveness of future examinations. *Id.* at 4-5; *see also* Open Records Decision No. 118 (1976). Section 552.122 also protects the answers to test questions when the answers might reveal the questions themselves. *See* Attorney General Opinion JM-640 at 3 (1987); ORD 626 at 8.

You seek to withhold some of the submitted questions and their responses under section 552.122 of the Government Code. You inform us the questions at issue test the knowledge and abilities of an applicant for the specified position. You state the board intends to continue using the questions at issue. Additionally, you state release of the information at issue would be detrimental to the board’s interview and hiring process. Based on these representations and our review, we agree the questions at issue qualify as test items under section 552.122(b) of the Government Code. We also find the release of the answers to these questions would tend to reveal the questions themselves. Accordingly, the board may withhold the questions and answers you have marked pursuant to section 552.122(b) of the Government Code. As you raise no further exceptions to disclosure, the board must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Joseph Behnke
Assistant Attorney General
