ATTORNEY GENERAL OF TEXAS

July 22, 2015

Ms. Susan Fillion
Assistant County Attorney
County of Harris
1200 Baker Street, 2nd Floor
Houston, Texas 77002-1206

OR2015-14946

Dear Ms. Fillion:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 572621 (HCSO Fil No. 14SO400321).

The Harris County Sheriff's Office (the "sheriff's office") received a request for information pertaining to all internal affairs investigations related to a named inmate. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Initially, we note some of the submitted information may have been the subject of a previous request for information, in response to which this office issued Open Records Letter No. 2015-13916. In Open Records Letter No. 2015-13916, we concluded the sheriff's office may withhold the submitted information under section 552.108(a)(1) of the Government Code. There is no indication the law, facts, and circumstances on which the prior ruling was based have changed. Accordingly, for the requested information that is identical to the

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

information previously requested and ruled upon by this office, we conclude the sheriff's office may continue to rely on Open Records Letter No. 2015-13916 as a previous determination and withhold or release the identical information in accordance with that ruling. *See* Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes information is or is not excepted from disclosure). To the extent the submitted information was not subject to prior ruling, we will address your argument under section 552.108 of the Government Code.

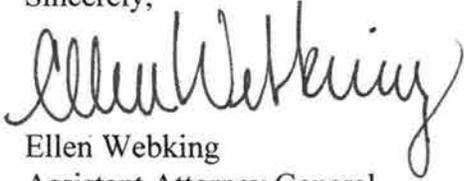

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 is generally not applicable to the records of an internal affairs investigation that is purely administrative in nature and that does not involve the investigation or prosecution of crime. *See City of Fort Worth v. Cornyn*, 86 S.W.3d 320 (Tex. App.—Austin 2002, no pet.); *Morales v. Ellen*, 840 S.W.2d 519, 525-26 (Tex. Civ. App.—El Paso 1992, writ denied) (statutory predecessor to section 552.108 not applicable to internal investigation that did not result in criminal investigation or prosecution); *see also* Open Records Decision No. 350 at 3-4 (1982). However, you state, and provide an affidavit from the Harris County District Attorney’s Office demonstrating, the submitted information is related to a pending prosecution, and release of the information at issue would interfere with the detection, investigation, and prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court describes law enforcement interests that are present in active cases), *writ ref’d per curiam*, 536 S.W.2d 559 (Tex. 1976). Based on these representations, we find the sheriff’s office may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>
