Mr. James Kopp

City of San Antonio
P.O. Box 839966

OR2015-15330

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 573246 (COSA File No. W082078).

The City of San Antonio (the "city") received a request for all records during a specified time period pertaining to a specified address, and all records during a specified time period pertaining to two named individuals. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have not submitted any information pertaining to the two individuals named in the request for our review. To the extent any information responsive to this portion of the request existed when the city received the request, we assume you have released it. If you have not released any such information to the requestor, you must do so at this time. *See Gov't Code §§ 552.006, .301(a), .302; see also Open Records Decision No. 664 (2000) (if governmental body concludes that no exceptions apply to requested information, it must release information as soon as possible).*

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information made confidential by other statutes, such as section 58.007 of the Family Code, which provides, in relevant part:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). Section 58.007(c) is applicable to records of juvenile delinquent conduct that occurred on or after September 1, 1997. *See id.* § 51.03(a) (defining “delinquent conduct” for purposes of section 58.007). For purposes of section 58.007(c), “child” means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). The submitted information involves juvenile delinquent conduct that occurred after September 1, 1997. Further, it does not appear any of the exceptions in section 58.007 apply to this information. Therefore, the city must withhold the submitted information in its entirety under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code.¹
